

MHT Service Hours Are Easy to Complete!

Below is a description of events that occur throughout our school year. If you're interested, please check the box next to the event you think you would be interested in. Remember – just because you sign up doesn't mean you are committing to the event. It just means that you'll receive a call when the event is approaching and if you're still interested and have the time, you can help.

- Family Fun Day:** This is our first major even of the school year and will be the first time hosting this event. This is a Saturday event that will be include BBQ, games and lots of family fun. Keep an eye on the Tuesday folder for more information.
- Golf Tournament:** This event is quickly approaching. It will be on October 17th. Please check your Tuesday folder for more information.
- Field Trips:** These occur during the school day throughout the year and are determined by your child's teacher and the school administration. Chaperones are always needed and sometimes we need drivers, too. Permission slips are required and teachers generally request chaperones/drivers when Permission slips are passed. If you are interested, please see your child's teacher.
- Sporting Events:** These events occur throughout the year in the evenings and on weekends. We have Saturday night football games in October and need help with set up, booth sales, field marker, clean up, etc. We also have Volleyball and Basketball tournaments in October and December and need help with set up, supervision, managing door, clean up, etc.
- School Beautification:** Our campus would not look as beautiful as it does without the time and energy our parents have put into it cleaning and landscaping. You don't have to have a green thumb in order to come out and help plant some flowers and to help keep our campus beautiful. These events occur throughout the year and will be announced in the weekly school newsletter and sometimes with separate fliers in the Tuesday envelope.
- Service to Community:** The school and the parish will determine what the needs are in our community and will schedule events to help our community. Please monitor your child's Tuesday folder to see what these events are and when they will occur.
- Monthly Parent Meetings:** Each month, our school has a parent meeting in the evening to inform us of how our school is progressing and to get our input as to how we can make it an even better school. You get service hour credit for attending this meeting. Keep an eye on the newsletter to see when our meetings are.
- Open House:** This event kicks off Catholic Schools week (last week of January/first week of February) and is our big student recruiting event. It will be on a Sunday. Although a majority of the event is done by our students, we always need adults to assist.

Book Fair: This event begins on Open House, runs through Catholic Schools Week and ends on the Friday of Catholic Schools Week. The Book Fair is a fundraiser and the money goes to the library to stock new books, to teachers to stock their classroom libraries and to daycare to expand their selections. We need help setting up, running the fair before, during and after school and breaking down. Set up occurs on a Saturday, we sell books during Open House and the rest occurs during the school day.

Grandparent's Day: This event occurs during the middle of Catholic Schools Week and is during the school day. The students provide a beautiful church service for the Grandparents/Special People and afterwards, we host a reception. We need help setting up, serving and cleaning up. Donations of cookies and flowers are also always needed.

Crab Feast: This event occurs the evening on February 14th and requires LOTS of planning and help. We need to sell tickets, make auction baskets, set up, serve, clean up, etc. Please monitor the newsletter and your child's Tuesday envelope for committee meetings.

Jog-A-Thon: This is a fundraising event that will be held in the Spring, during the school day. Students obtain sponsors (either per lap or flat fee) then jog the laps during the school day. This is a day of fun exercise with music, food and beverage while raising money for our school. This is our second year doing this event. We need assistance with setting up, counting laps and cleaning up.

Art Show/Spaghetti Dinner: This is an evening event that occurs in May. Mrs. Boettner needs help during the school day preparing the students' work for display at the Art Show. We also need help selling tickets, setting up, serving and cleaning up the Spaghetti Dinner that occurs prior to the Art Show.

Sports Day: This event occurs in either May or June of each year and is a day our students spend the school enjoying sporting events such as the limbo, sponge relay race, and jump rope. Our student council and Mr. K run the event and parent volunteers are needed to set up, supervise each of the events and break down.

Festival: This is joint venture between the school and the parish and is a major fundraiser for both the school and the parish that will be held over a weekend in June this year. Please monitor your child's Tuesday folder to see what help is needed.
