

We at Most Holy Trinity draw all life and love to God through Worship,
Prayer, Study and Good Works

Changing the world...

Dear Friends and Families of Most Holy Trinity, September 29, 2009

I would like to begin my Tuesday letter with words of gratitude. As we work together to make Most Holy Trinity the best school for your children, we will be faced with challenges. This morning at mass, Fr. Ted told the students the story of the archangels because it is their feast day today. He was telling them how each of the archangels has a special job. Michael, the archangel, is the warrior, who fights anything that is bad. Gabriel, announces the Good News, as he was the angel who told Mary that she would be the mother of Jesus. And Rafael takes care of everything else! Right now we need Michael to fight the flu that is in our community; we need Gabriel to announce the wonderful things that our MHT students do each day; and we need Rafael to keep us safe on our journey each day. Thank you to Fr. Ted for telling us about these wonderful angels and leaving us with the directive to “walk with Jesus and fly with the angels.”

Another big thank you today goes to Fr. Phong. Each family will be receiving an Activities Calendar in their Tuesday envelope today. Thanks goes to Fr. Phong for doing all the artwork and getting our new calendars printed for us. The calendars were sponsored by Bingo, so thanks goes to the Samoan community and all the MHT parents that are working each week to make Bingo a success.

Continuing our attitude of gratitude, I would like to thank Chris Castelli who chaired this weekend’s Family Fun Day and all the parents that worked and played the day away. I know that it was a very hot day, but we made the best of it with our “water devices!”

Now on a more serious note, we all know that flu season is here and that it is more serious for some of us. **PLEASE DO NOT BRING YOUR CHILDREN TO SCHOOL IF THEY ARE SICK WITH FLU SYMPTOMS.** We need to work together to keep our community safe and healthy. We will be calling parents and sending any children home that come to school sick. After your children are absent, we must have a note from you. If your children were absent with flu symptoms, we must have a note from a doctor. Please help us keep our school healthy and make sure that we have your correct contact information.

This morning, on KBAY, Most Holy Trinity School was recognized for their generosity in raising almost \$900. for St. Jude’s Hospital towards the treatment of childhood cancers. Many of you attended the final dinner at Chili’s last evening and donated even more, with 100% of the money earned going to St. Jude’s. Thank you all for your generous spirit and for teaching your children to care so much about others. Thanks goes to Mrs. Obieta and her whole family for getting our school involved in this very important cause.
