Principal's Thoughts

Dear Families of Most Holy Trinity,

November is traditionally a time when the days are shorter as the weather turns cold. We see the leaves turning colors, and our sky so very clear at night. As we feel the need to put on layers of sweaters and coats, we begin to prepare for Thanksgiving.

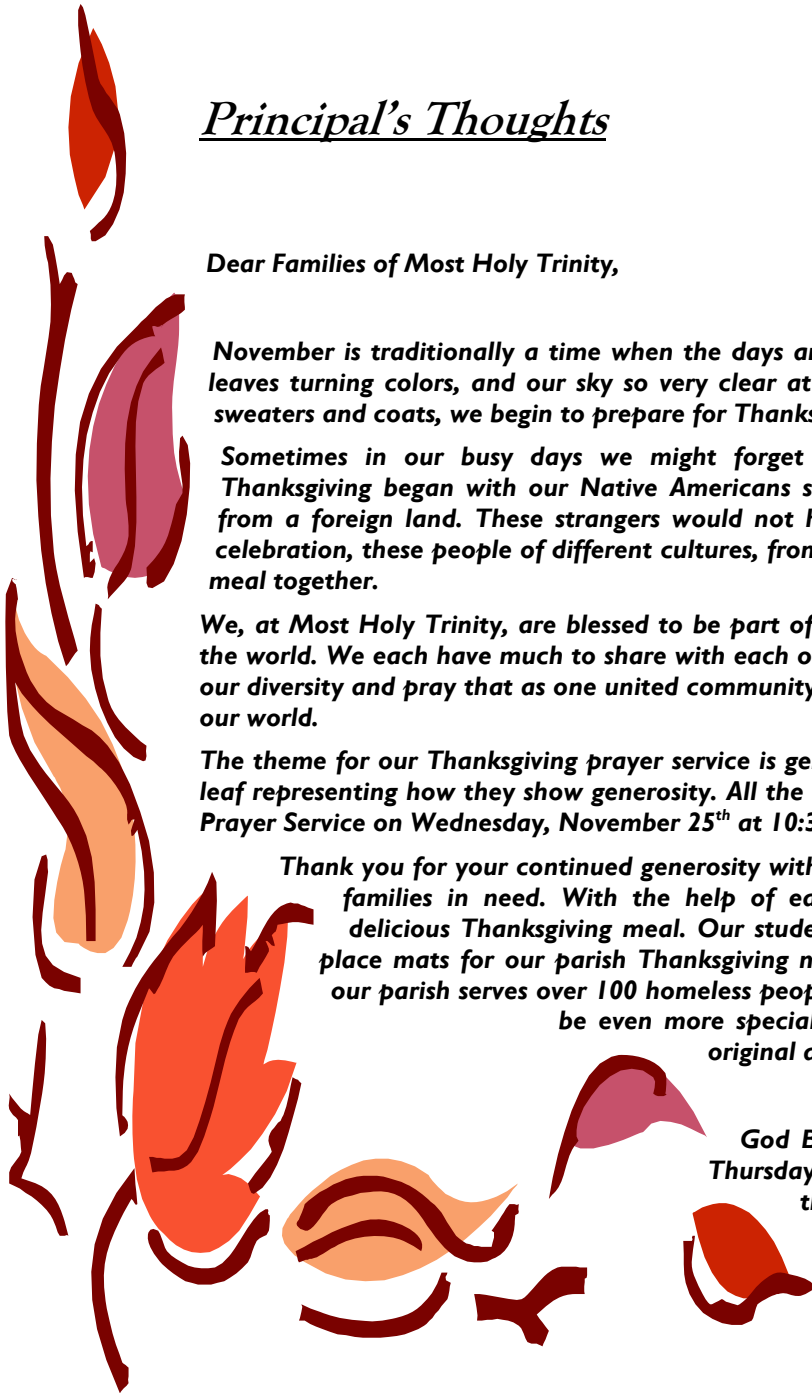

Sometimes in our busy days we might forget how this wonderful holiday began. The First Thanksgiving began with our Native Americans sharing their knowledge with strangers (Pilgrims) from a foreign land. These strangers would not have been able to survive without their help. In celebration, these people of different cultures, from different parts of the world sat down to share a meal together.

We, at Most Holy Trinity, are blessed to be part of a community made up of cultures from all over the world. We each have much to share with each other. During this time of year, let's thank God for our diversity and pray that as one united community, one family of God, we can make a difference in our world.

The theme for our Thanksgiving prayer service is generosity. Every student in the school decorated a leaf representing how they show generosity. All the leaves will be strung together and brought to the Prayer Service on Wednesday, November 25th at 10:30. As always, all are welcome to come.

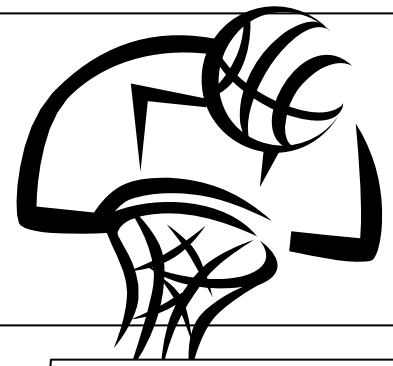

Thank you for your continued generosity with our Thanksgiving food drive for our neighboring families in need. With the help of each classroom, nine families will be enjoying a delicious Thanksgiving meal. Our students are reaching out even further by decorating place mats for our parish Thanksgiving meal for the homeless. On thanksgiving morning, our parish serves over 100 homeless people in the Trinity Center. This year their meal will be even more special because it will be served on a place mat with original artwork from the students at MHT.

God Bless you all and I hope to see many of you on Thursday night at our parent SPIRIT meeting at 7pm in the Trinity Center. Our eighth graders will be hosting and offering childcare.

The Academic Decathlon is a challenging diocesan-wide event held in March 2010. Many of the Diocesan Schools send teams to compete academically in the subjects of Logic, Religion, Math, Social Studies, Literature, Grammar, Current Events, Science, and Fine Arts. Our team has begun their studies and is dedicating four nights a week to this challenging endeavor. We have 26 middle school students who are working to challenge themselves, along with teachers and parent coaches. Much more information will be coming your way but for now, keep these young people and their coaches in your prayers.
