

Most Holy Trinity School

We at Most Holy Trinity draw all life and love to God through Worship, Prayer, Study and Good Works

December 1, 2009

Dear Families of Most Holy Trinity,

Happy Advent to you all! I hope that you all were able to spend time with families and friends over our Thanksgiving break. Personally, I was very grateful to be able to spend time with my whole family over an extended period of time. We get so busy in our everyday lives that it is quite a blessing when we are able to take time to be with those we love.

Last week was such a full week with much to be thankful for! Our eighth graders were on their overnight retreat Monday and Tuesday. Both Fr. Eddie and Fr. Ted came to lead them in prayer and discussions. The students were incredibly receptive and kind to one another. We came back to school on Wednesday and were treated to a beautiful Prayer Service on Generosity. I had more than one person tell me that tears came to their eyes as they watched the first and eighth graders lead our prayer in both word and song. The students brought decorated boxes to the front of the church and filled them with food for neighboring families in need. The vice principal from Overfelt High School addressed our students and thanked them for their generosity. It was a great week!

When I woke up this morning, I was excited to get to school. We needed to prepare our school for Advent, find our Advent wreath and set it up in the hallway. As always, I was looking forward to seeing all those smiling faces of your children. As I was preparing for school, I began thinking about everything that needed to be done during the next three weeks and I almost started to panic! Then, I saw this quote on my window ledge and I wanted to share it with you:

“With God behind us and His arms beneath us, we can face whatever lies before us.”

With these words to guide us, prayer to strengthen us and the community of Most Holy Trinity to support us, we will be fine. Remember to celebrate Advent, light one candle this week and help your children to experience the real meaning of preparing for Jesus to come once again to our world. Advent is a very special time of year. Fr. Tien challenged us at mass last Sunday to go against the crowds this time of year; to show kindness to all and represent Jesus on earth. This is quite a challenge. Let's help each other do our best.

News from the office:

All Parents invited to a class by Clara Morales on the Sacrament of Reconciliation this Sunday. The class will be offered in Spanish at 9am and in English at 11am in the library.

Adopt a Family Begins this week. You will be receiving a child's name to buy for.
