*We at Most Holy Trinity draw all life and love to God through
Worship, Prayer, Study and Good Works*

Dear Friends and Families of Most Holy Trinity School,

“Then Peter came and said to Jesus, “Lord, if another member of the church sins against me, how often should I forgive? As many as seven times?” Jesus said to him, “Not seven times, but I tell you, seventy-seven times.” Matthew 18:21-22

Just as different numbers mean things to us in the year 2010, the same was true for Jesus’ time. We might ask ourselves why Jesus used the number 77. We are told that the number seven stands for perfection. The disciples were being asked to move towards perfection.

Today at mass, Fr. Phong walked among the children and teachers and asked them about forgiveness. He was talking with them about how important it is to forgive each other. He was so right when he said that we might forget a math problem from fourth grade, but we would not forget that someone forgave us when we needed it. Let us all pray that we will be able to forgive at least 77 times, as we do our best to spread God’s love to the world.

This Saturday, our second graders will be experiencing God’s forgiveness through the Sacrament of Reconciliation for the first time. This is a very special day for our students and their families. Please keep them in your prayers.

We had an incredible weekend at MHT. Our Academic Decathlon Team competed at Mitty High School on Saturday. They worked as a united team, challenging themselves and enjoying each other at the same time. Three of our students placed in their individual subjects, which is quite an accomplishment. We congratulate them all!

On Sunday, our 7th annual basketball tournament took place. The games were so exciting! I’m happy to announce that along with excellent sportsmanship, our 8th grade boys won first place in the tournament. Thank you to our athletes and our decathletes for representing our school and sharing the “spirit” of Most Holy Trinity!

There are many calendar and office reminders going home today. As organizations send us information for summer programs, we will send them your way. I know that some of you need to plan way ahead. Remember that scrip and service hours are due this month.

Also, if you know new families that are thinking of coming to MHT, but are worried about finances, the Basic Fund Scholarship is still available. They would need to apply as soon as possible, because they are looking at applications not only by need, but also by when you put in your application.

Thank you all for spreading the Spirit of Most Holy Trinity,

Serving God’s world in love one day at a time, one child at a time,

Dorothy Suarez
