

*We at Most Holy Trinity draw all life and love to God through
Worship, Prayer, Study and Good Works*

June 8, 2010

Dear families and friends of Most Holy Trinity School,

You are the light of the world. A city built on a hill-top cannot be hidden. No one lights a lamp to put it under a tub; they put it on the lamp stand where it shines for everyone in the house. In the same way your light must shine in the sight of men, so that, seeing your good works, they may give praise to your Father in Heaven.

Matthew 5: 14-16

This was the reading of the day and a perfect way to begin our last newsletter of the school year. This message will guide us through the summer months as a constant reminder to let our light shine, to share our talents, to do good works and to praise God all summer long.

Tomorrow the students will be “flying-up” to their next year’s class at morning assembly. They will get a glimpse of what their new class will be like and will also receive their summer homework. We all know how important it is to continue learning each day. As a staff, we decided to focus on reading and math for our summer months. Specific information will be coming home from each teacher.

Not only do we want to continue learning, we want to make sure that we get to see our friends in the summer so....we are having a Red Robin/Barnes and Noble evening on June 24th. Come have dinner with friends and then select some summer books from Barnes and Noble. (Remember to use MHT Scrip!)

Many of the students have asked me why we did not have our festival this June. The festival committee decided to go back to having our festival in September, when it was before. We have a festival meeting tomorrow night at 7pm in Extended Care. We all participate in the festival, but if you’d like to get more involved, come to our meeting. I’m also sending home some information for Festival Sponsors.

I cannot believe that our school year is ending, but it is. There are so many people to thank for making this a great year. I’d like to thank the seventh grade parents and students for all their hard work in making the Dinner Dance and the Graduation Reception so lovely for our graduates and their families.

Thank you to all of you who have signed up to help with bingo over the summer months. And thank you to the many volunteers who have helped throughout this school year.

You truly make a difference in the lives of our students!

We definitely had some challenges this year, which we tackled together as one community. Thank you all for allowing us to be your partners in this wonderful journey of education. Each of your children is a gift from God and we are honored to be with them each day. Thank you for a great year and have a wonderful summer, filled with family and friends.

I'd like to end this letter the same way that I began my Graduation speech, with a traditional Irish blessing.

*May the road rise to meet you,
 May the wind be always at your back,
 May the sun shine warm upon your face,
 The rains fall soft upon your fields and,
 Until we meet again,
 May God hold you in the palm of His hand.*

Thank you for being such a blessing in my life,

Serving God's world in love, one day at a time, one child at a time,

Dorothy Suarez
